

Move it Boom 2018 Competition: Terms and Conditions

Move it Boom is a physical activity competition for primary school children, hosted from the Health for Kids website (www.healthforkids.co.uk/moveitboom) and administered by Leicestershire Partnership NHS Trust.

Children record the physical activities they have completed between the start of the competition (Monday 5 March 2018) and the competition closing (Friday 29 June 2018) online using an anonymised username and password. The activities they log count towards their school's total.

Schools have been informed that the activities logged will be monitored throughout the competition, and should there be a suspiciously high number recorded for one username, those activities will be removed and the school will be notified.

Once again, we have teamed up with our local sports partners to offer some great prizes. Schools have received full details of the prizes via the digital schools pack emailed to them in advance of the launch of the competition.

The prizes are as follows:

- ★ **First prize** (for the school with the most activities logged at the close of the competition): Wooden playground equipment worth £1,000 donated by local play specialists Red Monkey (www.redmonkeyplay.co.uk). This can be adapted to suit the school environment in discussion with Red Monkey. Please see point 3 below. Plus, a sporting experience day at the world-renowned Olympic training facilities at Loughborough University for a class of children.
- ★ **Second prize** (for the school with the second highest number of activities logged at the close of the competition): A tour of the Leicester Riders stadium for a group of children, plus a basketball taster session at school, provided by Leicester Riders Basketball Club.
- ★ **Third prize** (for the school with the third highest number of activities logged at the close of the competition): A cricket taster session in school, plus 30 complimentary children's T20 tickets for a home game in July, provided by Leicestershire County Cricket Club.

- ★ **Fourth prize** (for the school with the fourth highest number of activities logged at the close of the competition): A tour of the Leicester Tigers stadium, plus rugby taster sessions, provided by Leicester Tigers Rugby Club.
- ★ **Fifth prize** (for the school with the fifth highest number of activities logged at the close of the competition): Four football taster sessions in school provided by the Progressive Skills Academy.

An additional prize is available for the best game demonstration video submitted during the competition: A tour of the King Power stadium and tickets to an Under 23s match, provided by Leicester City Football Club. Children are encouraged to film their demonstration video with support from an adult. Videos will only be featured on the Move it Boom website providing signed photographic permission forms have been received by the communications team at Leicestershire Partnership NHS Trust.
